

High School teen Position details:

- Classroom Aide/leader:
 - ❖ As a classroom aide you would be responsible for going to all the stations with your group of kids. You would help as needed at whichever station you are at.
- Craft Helper:
 - ❖ As a craft helper you would assist the craft leader in whatever they need you to do during the morning. You should be prepared to help kids assemble crafts and prep crafts supplies for the groups throughout the morning.
- Music Helper:
 - ❖ As a music helper you would assist the music leader in whatever they need you to do. Typically you will be demonstrating the music moves with the music leader to each group.
- Snack Helper:
 - ❖ As a snack helper you would assist the snack leader in whatever they need you to do. Typically that will entail prepping the snack supplies for each group as well as serving snack to each group.
- Games Helper:
 - ❖ As a games helper you would assist the games leader in whatever they need you to do. Typically you will be demonstrating and explaining the games of the day to each group. You may even need to set up games in between groups as different ages play different games based on skill levels.
- Nursery Aide:
 - ❖ As a nursery aide you would help the nursery leader take care of the little kids (4yr and under) during the morning. Typically it involves playing with them to keep them entertained. *NOTE: Nursery is not a given position every year as we may not have a need for one.*
